

Premier of New South Wales

16 May 2011

Thank you for your letter of 12 May 2011 and for resending your previous correspondence regarding non-medically indicated circumcision of infant males.

As the matter you raised primarily concerns the administration of the Attorney General, the Hon Greg Smith MP, I have referred your correspondence for his consideration and reply.

Thank you for taking the time to write to me.

Yours sincerely

A handwritten signature in dark ink, appearing to read "Barry O'Farrell".
