April 2012

Thank you for your letter dated 20 March 2012 in response to my letter to you about non-medically indicated infant male circumcision.

As previously advised, it is not appropriate for me to provide legal advice to the public or to comment on private legal matters. You may wish to seek independent legal advice on this matter.

Unfortunately neither I nor the Attorney-General's Department is able to provide further assistance to you at this time.

Yours sincerely
