Mr David Swain  
Governor Macquarie Tower

Sydney. 2000

Your reference 2010/44835 – CMU

Good morning Mr Swain,

I have today received your letter dated the 6<sup>th</sup> October advising me of the progress of my initial letter to the Premier dated the 15<sup>th</sup> Sept 2010.

Although the reference number assigned to my letter gives some insight as to the workload you are under, I must confess that I am surprised and disappointed that it has taken over two weeks to simply notify me that my letter has been received, opened and read.

I understand that my letter will now be sent to the responsible Ministers and from there it will no doubt be delegated to an appropriate underling for assessment and comment.

Mr Swain, would you please assure me that the Premier, Kristina Kineally, has at least read my correspondence to her dated the 15<sup>th</sup> September.

If Kristina Kineally is not to be offered the opportunity to read my letter addressed to her, would you please confirm that fact to me by return.

Yours sincerely,
